SPECIAL INSTRUCTIONS:

The parties acknowledge that this Bill of Lading is a contract between the Shipper and Carrier. Received, subject to the classifications and lawfully filed tariffs contained in the NMF 100 in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated above, which said carrier (the word carrier being understood throughout the contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property, over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification, as well as those outlined at , on the shipment date. Shipper hereby certifies that he is familiar with all the bill of lading terms and conditions in the governing classification, as well as those outlined at , and shipper agrees that said terms and conditions are accepted for him and his assigns, including the limits of liability.
